

Achieve significant savings on rated term cases!

Our special rates and table program delivers more favorable pricing for many rated cases.

- Most companies determine substandard rates by applying a table rating factor to Standard rates.
- American General Life applies a table rating factor to Special rates, which are more favorable.¹
- Our table C and D premiums often beat lower table ratings from other carriers.
- See for yourself! Check out the price, not just the rating!

PRODUCT	ANNUAL PREMIUMS
