Rapid Decision Guaranteed Issue

from Fidelity Life Association

Rapid Decision Guaranteed Issue

Rapid Decision Guaranteed Issue provides protection for individuals ages 50-85 that can help lessen the burden of covering one's final expenses which include, but is not limited to, credit card debt, funeral costs, and medical expenses. This permanent whole life coverage is available up to \$20,000. Death benefit is full coverage amount after a 3 year reduced benefit period.

Policy issuance does not require a medical examination or answers to health questions. The Rapid Decision Guaranteed Issue product requires no underwriting and all applicants within the age requirements can be approved.

Fidelity Life Association offers vast industry experience, competitive rates and quality service. That is innovation born from over 100 years of experience protecting the families of Middle America.

People just like you.
